

ALAN CHAMO
EL MAGO

Ladies & gentlemen, AlanChamo

Alan Chamo did not come into this world by magic, but he has made his world a magic one! Alan was brought up in diverse cultures and different countries. This valuable experience has helped Alan mold an international profile. He was born in Buenos Aires. At the youthful age of 8 his uncle introduced him to the world of magic. He developed his other natural talents: music and performing arts. He later traveled to Israel, where he joined the army. During his tough years of recruitment, Alan polished his skills and became the first magician of the Israeli army. As such, he performed in front of soldiers and officials for two years.

Shows

Younger than Merlin, more experienced than Harry Potter and more accessible than Houdini, Alan Chamo captivates and entertains audiences with his unique style, his charm and his vibrant personality.

Close up: Magic In Your Hands

Close-Up, it is the most essential form of magic, hands move quicker than your eyes, it is a live experience performed right in front of your eyes, which will leave you breathless. Alan is a recognized close-up celebrity. In 1999, he was a finalist in one of the most important magic tournaments in the world, which took place in Hong Kong and from which Alan walked off with an award. His magic acts are the main course of his television appearances. It's not about seeing magic it's about feeling magic!!!

Close-up allows a closer and more direct contact with the audience. Nothing can compare to the feeling of experiencing magic in your own hands. It's an indescribable feeling which will remain etched in the eyes and body of the person who in a given moment has an object in its hands and in a flash. ...the object disappears! It's not about seeing magic it's about feeling magic!

Mentalism - Mind Revelations

High voltage, astonishing games and entertainment that will make everyone jump out of their seats. Alan's creativity and wit is put into practice by combining Mentalism, Telepathy, Telekinesis and Illusionism techniques. Alan will let your mind run free. Don't be afraid to be taken by surprise and dare to enjoy this show. Even Sigmund Freud wouldn't miss it!
